PATTERN OF THE HEAVENS

Digital Legend, 2009. Paperback. Book Condition: New. 1934537667 Brand new softcover book! ++; Timothy Adams has taken a new look at one of the most ancient of subjects: The origins of astronomical "signs" and their linkage to Old Testament and other scripture. Using research, ultra-modern technology and software, Brother Adams illuminates the topic in a way never before attempted. From the beginning pages of the Book of Mormon we learn of the ancient's knowledge of and belief in Jesus the Christ. Old Testament Prophets also foretold His coming in more veiled imagery as types and shadows. But is it possible that the Israelites and their neighbors understood that a ?desired son? would be born to a virgin mother, who would set up a government that could free his people and rule the world in peace? Could remnants of such a story be right before our eyes? We live in a busy world, paying little attention to the creation all around us. If we look up, and pay attention, a glorious view of heaven awaits us. The apostle Paul told us that Moses patterned the tabernacle according to things he saw on the Mount. High on the mountain top Moses was instructed of a pattern to build a mobile home (tabernacle) so that God could dwell in the midst of the children of Israel. Could it be that the pattern was taken from the very stars, among which God himself dwells? "Moses was admonished of God when he was about to make the tabernacle: See, saith he, that thou make all things according to the pattern shewed to thee in the mount." (Hebrews 8: 5) The idea for the title of this book comes from the verse above; that while Moses was on the mount he saw, in the stars, a...
