

Caught by the Turks

By Francis Yeats-Brown

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Half an hour before dawn on November the thirteenth, 1915. . . . We were on an aerodrome by the River Tigris, below Baghdad, about to start out to cut the telegraph lines behind the Turkish position. My pilot ran his engine to free the cylinders from the cold of night, while I stowed away in the body of the machine some necklaces of gun-cotton, some wire cutters, a rifle, Verey lights, provisions, and the specially prepared map-prepared for the eventuality of its falling into the hands of the Turks-on which nothing was traced except our intended route to the telegraph lines west and north of Baghdad. Some primers, which are the explosive charges designed to detonate the gun-cotton, I carefully stowed away in another part of the machine, and with even more care-trepidation, indeed-I put into my pockets the highly explosive pencils of fulminate of mercury, which detonate the primers which detonate the gun-cotton.

Reviews

It becomes an awesome ebook which i have ever go through. it was writtern quite perfectly and valuable. You will like just how the writer write this ebook.

-- **Kane O'Reilly**

A must buy book if you need to adding benefit. It is actually writter in basic phrases and not confusing. I found out this book from my i and dad suggested this pdf to find out.
