Bloomberg Press, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Additional Praise for Investing in REITs, Fourth Edition "I have enjoyed reading Ralph's insightful and refreshing commentary on the REIT industry for years, and his REIT guide is an invaluable resource for those of us who work in the industry and also invest in REIT stocks. His extensive knowledge comes through clearly in an easy-to-follow guide for both the novice and real estate expert." -Robert Elms, Head of Debt & Equity Placement, Cushman & Wakefield, Inc. Praise for Previous Editions of Investing in REITs "For over thirty years, Ralph Block has observed and studied Real Estate Investment Trusts and has accumulated a storehouse and reservoir of knowledge and insights, which in this book he dispenses to the reader—simply, lucidly and logically. It is a must-read for anyone interested in the growing market of REITs." -Milton Cooper, Chairman & CEO, Kimco Realty Corporation "Ralph Block has long advocated the merits of investing in REITs, and investors who have heeded his advice have profited handsomely. By making complicated issues accessible for investors of all types, Investing in REITs provides a great introduction to an investment vehicle that offers solid returns, moderate risk, and good diversification benefits." -Mike Kirby, Cofounder, Green Street Advisors "In a clear, direct, and authoritative manner, Ralph Block provides and opens an extensive and illuminating window on investing in real estate investment stocks. He fully explains the story of REITs, flags their investment attributes, and underlines their role in a diversified portfolio. I highly recommend it to the investor considering REITs for the first time, as well as the investor with some knowledge about and experience with real estate stocks." -Steven A. Wechsler, President and CEO, The National Association of Real Estate...
