# THE FUTURE OF POST-HUMAN NUMBER THEORY

I.K. International Publishing House Pvt. Ltd., 2015. Hardcover. Book Condition: New. 16cm x 24cm. This seminal project will fundamentally change the way that we think about number theory (in relation to simpleness and complicatedness in arithmetic) from the combined perspectives of the mind, nature, society, and culture, with enormous implications for the human future and what I originally called its post-human fate. Author This is a milestone book on number theory, in which the author exposes the reader to the importance...

## Reviews

---

*I actually started off reading this article ebook. It is written in simple phrases instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Dessie Witting**

*Absolutely among the best publication I have at any time go through. It is definitely basic but shocks from the 50 % of the book. I discovered this book from my i and dad advised this publication to find out.*
