A severe domestic affliction, and numerous pressing engagements, have prevented an earlier compliance with the request, and I now avail myself of the first opportunity to give such views as suggest themselves to me. The portions of the resolution which interest the road over which I preside, are those that relate to a side track between Bristol and Chester, in Pennsylvania, through West Philadelphia; and also for the construction of a side track from Back River to the Relay House, in Maryland, through West Baltimore; and furthermore, that he be directed to invite propositions for the construction of a distinct and direct road from New York to Washington.
