By Unknown Author

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Provisional Manual for Ordnance Field Service: Prepared in the Office of the Chief of Ordnance September, 1919 Army Regulations 1913 states as follows: The Chief of Ordnance of the Army is charged with the duty of Procuring, by purchase or manufacture, and distributing the necessary ordnance and ordnance stores for the Army (par. 1511). Ordnance and ordnance stores include cannon and artillery vehicles, and equipments; apparatus and machines for the service and maneuver of artillery; small arms, ammunition and accouterments; horse equipments and harness for Field Artillery, and horse equipments for Cavalry and other mounted men; tools, machinery and materials for the Ordnance service; and all property of whatever nature supplied to the Military Establishment by the Ordnance Department (par. 1512). The operations in the A. E. F. in France were conducted in accordance with these paragraphs. The principal duties of the Ordnance Department in the theater of operations of one or more armies in the field are supply and maintenance. To these must be added the ordnance technical and engineering functions which are necessary...
