FRANCIS BACON: AN ACCOUNT OF HIS LIFE AND WORKS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Francis Bacon: An Account of His Life and Works The present work was undertaken six or seven years ago, at the request of the late Mr. J. R. Green, for the series of Literature Primers. But although the rough draft was prepared as early as 1880, unavoidable delays deferred completion, till Mr. Green s lamented death destroyed the hope that the volume might receive his supervision. In these circumstances it was thought best that, instead of curtailing the work - which, from the first, considerably exceeded the limits of the primer series - it should be amplified and published independently. This ended in its being rewritten on a much larger scale. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
