THE LION OF ST. MARK: A STORY OF VENICE IN THE FOURTEENTH CENTURY

DOWNLOAD

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the preface: Of all the chapters of history, there are few more interesting or wonderful than that which tells the story of the rise and progress of Venice. Built upon a few sandy islands in a shallow lagoon, and originally founded by fugitives from the mainland, Venice became one of the greatest and most respected powers of Europe. She was mistress of the sea; conquered and ruled over a considerable territory bordering on the Adriatic; checked the rising power of the Turks; conquered Constantinople; successfully defied all the attacks of her jealous rivals to shake her power; and carried on a trade relatively as great as that of England in the present day. I have laid my story in the time not of the triumphs of Venice, but of her hardest struggle for existence--when she defended herself successfully against the coalition of Hungary, Padua, and Genoa--for never at any time were the virtues of Venice, her steadfastness, her patriotism, and her willingness to make all sacrifice for her independence, more brilliantly shown. The historical portion of the story is drawn from Hazlitt s History of the Republic of Venice, and with it I have woven the adventures of an English boy, endowed with a full share of that energy and pluck which, more than any other qualities, have made the British empire the greatest the world has ever seen.
