This stream-of-consciousness diatribe describes the creative connections between sexuality and synergistic innovation. It examines those a-ha moments when we capture lightning in a bottle in a unique and magical way which makes us glad to be alive. It discusses how the conception of a new idea is like great sex, and how it is akin to giving birth to a child who becomes your baby which you must take the time to raise Right. When the muse strikes, it is our job to foster an environment that makes it conducive to capture the genius when a new idea is ripe and ready for the marketplace. Imagination, inspiration, invention, ingenuity this book delights in their depths. Allow this S. O. S. to be your metaphoric lifeboat so you dont feel adrift in the ocean of innovation. Its an island of hope is a sea of chaos that enables you to navigate and ride creativitys tides. Let it tune you into the tough task of refined recalibration that brings earned rewards because deferred joys purchased through sacrifice are often the sweetest. The Sexuality of Synergy is a beacon that lights your way into the New of true discovery. This item ships from La Vergne, TN. Paperback.
