Reviews

It is an incredible ebook that we actually have ever study. This is certainly for all those who statte that there had not been a worthy of looking at. I am just pleased to inform you that this is the very best publication i have got go through during my individual daily life and can be he best ebook for possibly.

(Clarabelle Marvin)

THE GREAT INDIAN MIDDLE CLASS (UPDATED WITH A NEW INTRODUCTION)

Penguin, New Delhi, India, 2007. Paperback. Book Condition: New. First Edition. In this powerful and insightful critique, the author examines the evolution of the Indian middle class during the twentieth century, especially since Independence. He shows us how the middle class, guided by self-interest, is becoming increasingly insensitive to the plight of the underprivileged, and how economic liberalization has only heightened its tendency to withdraw from anything that does not relate directly to its material well-being. An essential read, this fresh edition updated with a new introduction analyses the transformation of the middle class in the decade since 1997 and seeks to reconcile the seemingly dichotomous aspects of our economy and polity. Printed Pages: 280. Size: 13 Cms x 20 Cms.
