Grin Verlag GmbH Apr 2014, 2014. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Titel. Neuware - Seminar paper from the year 2014 in the subject Business economics - Miscellaneous, grade: 1,3, LMU Munich, language: English, abstract: Google gilt als fast Monopolist im Bereich der Suchmaschinen. Diese Seminararbeit betrachtet dabei, ob Google seine Macht ggf. ausnutzt im Wettbewerbsrecht. Dies wird besonders anhand des 102 TFEU analysiert. Googeln is a common verb you can look up in the German encyclopedia Duden nowadays (BI). Google is a very well known player, not only in the market for search engines, that made it possible throughout the last decade to increase its revenue to nearly 45 billion \$ in 2012 (REV). While 14 years ago there were about 10.000 Google searches a day, nowadays this number is reached within one-hundredth of a second (STA). All the information gained is extremely valuable for advertisers that use Google AdWords to place consumer matched advertisement. This is also one of the reasons consumers can enjoy products such as internet searches without any charge and therefore might not notice if a player, such as Google, abuses its dominance since it...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
