All of them are guaranteed as perpetual, but inasmuch as no one can tell years ahead the volume and size of a stream of water 50 and 200 feet in the bowels of the earth, the perpetuity of the water rights is not always absolute. The California laws have now thrown greater security about the buyers of irrigation water rights, so that the numerous frauds of a dozen years ago have become minimized. Still the guarantees can never be made to be exactly what they appear to be. A miners Hardware Gommigson Merchants AGRICULTURAL IMPLEMENTS.
