Brand New Book ***** Print on Demand *****.Excerpt from Language Primer: Beginners Lessons in Speaking and Writing English This little work is designed to serve as a Primer, or beginners book in the study of our own language. In the new courses of study in most of our cities, lessons in writing and speaking English are begun quite early; and this fact has disclosed the need of a small manual of suitable work, to be placed in the hands of young scholars as the accompaniment of the teacher s oral instruction. The success of the author s Language Lessons - a success without precedent in school-book literature - is the best assurance that the simple, untechnical, objective, and inductive mode of unfolding our speech will meet the views of intelligent teachers.
