The past three decades have witnessed the development of the Graded Lessons; have seen the Primary Department expand into a Children s Division, with its four departments - the Cradle Roll, Beginners , Primary, and Junior; and watched the Teen-Age Department changed to a Young People s Division, with its three departments - the Intermediate, the Older Boys and Older Girls , and the Young Men s and Young Women s. The Organized Class movement has likewise grown into an Adult Division, with its four departments - Men s, Women s, Parent-Training and Extension. During this period there has also been developed a system of training leaders. The simple Normal Manual of twenty years ago has given way to and blazed the way for the present three-year Standard Teacher Training Course.
