Filesize: 2.89 MB

Reviews

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Cobb Entertainment Inc, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the third book in a series of children books that gently teaches children of all ages about TiaSeeDotee. This adventure is about a little boy, called Karil, who asks Findy to help him understand why God allowed his little fishy to die. Findy teaches Karil that death was not meant to bring sadness. Findy reveals that TiaSeeDotee teaches us that death provides a gateway to travel on a new journey within Ha-Pe-Land. Findy reads various stories to Karil to help him understand that birth represents a new opportunity to experience life in a new way. Findy explains that the place called Ha-Pe-Land is a constantly changing place. It all depends upon which path is traveled. While Findy reads these stories, Karil learns about the life of various little people called Zebers (Star Children) that lived in Ha-Pe-Land. Findy teaches Karil about Billy Birthday, Dilly Dali, Eddy Eagle, Iseeya Donivia, Jumpy Jacklin, Mini Momo, Mohomo Toomo, Salis Bliss, Silly Raceli, Three Penny, Valentina Valley, as well as Zebers Keeper (which is the name that Zebers call their God).
