In this interval, the stream of time has wafted into the Unseen World most of those who took part in the formal exercises of Inauguration. The heroic Founder, Ezra Cornell; the Chancellor of the State Board of Regents, J.V.L. Pruyn; the representatives of the Trustees, Erastus Brooks and George H.Andrews; the spokesman of the Faculty, William Channing Russel; and those brilliant delegates from the republic of Science and Letters, Louis Agassiz and George William Curtis;- every one of them has walked the way of Nature; And to our purposes he lives no more.
