Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The curse placed on Oedipus lingers and haunts a younger generation in this brilliant translation of Sophocles classic drama. The daughter of Oedipus and Jocasta, Antigone is the subject of a popular story in which she attempts to secure a respectable burial for her brother Polyneices, even though he was a traitor to Thebes and the law forbids even mourning for him, on pain of death. In the oldest version of the story, the funeral of Polyneices takes place during Oedipus s reign in Thebes. However, in the best-known versions, Sophocles s tragedies Oedipus at Colonus and Antigone, it occurs in the years after Oedipus s banishment and death, and Antigone has to struggle against Creon. Sophocles Antigone ends in disaster, with Antigone hanging herself after being walled up, and Creon s son Haemon (or Haimon), who loved Antigone, kills himself after finding her body. An unconventional heroine, Antigone pits her beliefs against the King of Thebes in a bloody test of wills that leaves few unharmed. Emotions fly as she challenges the king for the right to bury her own brother. Determined but doomed, Antigone shows her inner strength throughout the play. Antigone raises issues of law and morality that are just as relevant today as they were more than two thousand years ago. Whether this is your first reading or your twentieth, Antigone will move you as few pieces of literature can.
