The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Asian Shorts came about because of a sequence of events on one weekend in May 2015. A friend was telling me that he had several short stories with Asia as a backdrop, I was saying that I had a few as well, another friend sent me an email that he wanted to write a short on Pattaya, and one of my Thai cousins sent me her latest photo, the one on the cover of this book. It was like somebody was trying to tell me something, or several were anyway. The nineteen stories by nine authors in this anthology were sent to me in one month, but are as varied as their writers. The stipulation was that Asia or an Asian had to feature strongly in the story. We have stories featuring Cambodia, China, Laos, Malaysia, Pakistan, Thailand, the USA and Vietnam, by Asian and non-Asian authors who live in or come from Britain, Malaysia, Thailand, the USA and Vietnam. Some of these writers are well-known as writers, some are better known in other spheres, some have written a lot before and been published in the traditional sense, others are travelling the Indie Publishing path and for yet others this is the very first time they or you will have seen their stories in print of any kind. You can read more about each author by visiting the web sites that they have given after their stories. I thoroughly recommend that you do this as what you will find out about the authors will surprise you, I guarantee it. Finally, my thanks go out to all the authors who have made this book possible, we hope that you...
