RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 106 pages. LC Number: KF26 . F54 2005 OCLC Number: (OCoLC)76881047 Subject: Depreciation allowances -- United States. Excerpt: . . . 11 out or be damaged beyond the cost of repair after less than 5 years and should be written off over 3 years, or expensed and immediately deducted. In addition, contractors, like taxpayers in many other industries, said their computers and associated software are obsolete in less than 5 years. Respondents split on whether the amount and timing of investments are affected by either the general rules or temporary incentives, such as the recently expired bonus depreciation or the current higher limits for small investor expensing under code section 179. I would urge that any changes be large and long-lasting enough to be worth the considerable cost small businesses incur in managers and owners time to learn about, analyze, and, if appropriate, adapt their business practices. Short-term provisions, even if later extended, exact a high overhead cost. As for other recommendations, one respondent listed tax simplification ! I think he understated the case. I believe enormous efficiency gains throughout the economy could be achieved by making the tax system - and notably the capital cost recovery rules - simple and generally unchanging for long periods. A good way to start, and one mentioned by several survey respondents, would be to eliminate the Alternative Minimum Tax, or at least the separate depreciation required for it. If this is too expensive or elaborate a change to enact this year, I hope Congress will at least substantially raise the income floor below which it does not apply for all types of business, whether taxed as C corporations or through the individual income taxes, S corporations, partnerships, or sole proprietorships. Congress...
