## Designing Ecological Habitats: Creating a Sense of Place

By E. Christopher Mare, Max O. Lindegger, Maddy Harland

Hyden House Ltd. Paperback. Book Condition: new. BRAND NEW, Designing Ecological Habitats: Creating a Sense of Place, E. Christopher Mare, Max O. Lindegger, Maddy Harland, Designing Ecological Habitats is the third volume in the Four Keys to Sustainable Communities series and is an important and eloquent exploration of humanity's limits to growth, addressing the problems arising from climate change, habitat destruction, population growth, and resource depletion. This is not a book of theoretical ideas but an anthology of solutions, of experience, tried and tested, from experts all over the world. The designs and practices included in this book present a vision for the future, already tested out in ecovillages, sustainable communities, and projects in many countries. These are practical low-carbon solutions that provide significant improvements in the quality of life. Designing Ecological Habitats is an anthology of work by writers who have created, built, lived in, and thrived in eco-developments, and addresses green building, food resources, appropriate technology, and restoring nature. "By understanding the process of creating integrated ecological designs, we also make explicit the process of creating integrated social and economic systems. We reconnect with the true meaning of ecology that comes from the Greek word oikos, meaning 'home'...
