One month and a day ago, Tess Willoughby was the daughter of a well-to-do physician in London. One month ago, she witnessed the murder of an old seer and came into possession of the dead womans odd ring - an ancient Spinner ring, known by the locals as the Ring of Prophecy, and was wrongly accused by her father of having stolen the ring. One week ago, she met a sailor and experienced the thrill of being in love for the first time. Two days ago, she realized that such a secret love would endanger them both, and heart-broken, she was forced to choose her loyalty. Yesterday, her fiance betrayed her during a pirate attack and those she loved were slaughtered. Today, she is plotting to save her own life and perhaps to take his in retribution. The ring is urging her to decide quickly . . . Tomorrow will be too late. A secret and unauthorized trip through the chaos of a 1717 London marketplace takes a bizarre...
