DEATH: TOKEE IX

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Trust me, it s not what I wanted to do but due to certain issues with the original book size of this book, 6.14 x 9.21, I was compelled to downsize it to a more marketable 6 x 9 size. This took more than a little finagling and shifting things around in order to fit a 6 x 9. During that process certain texts were sometimes slightly altered, sometimes drastically. I realized I just (cursorily) revised this book in November 2015, and now a changing of book size and more changes only a month later in December? I know, what can I say, it s been a real chore. But honestly, I m glad I had the opportunity to basically rewrite this text because there was wording in various sections that were way off base, now corrected of course. And too, there was a note in one footnote referring the reader to see such and such a page, and damn if it wasn t the wrong page, ha. And then there was the sporadic word or two missing or misspelled, very few and far between mind you but still there. So it was a good thing redoing this. Still and all, it probably won t matter anyhow cause I really don t think anyone will care either way, you know, like that one Kris Kristofferson line in To Beat the Devil : The truth remains that no one wants to know. Unfortunately that is the truth, no one wants to know. On now to our book s contents. This book consists of a very controversial, very opinionated look at the origins and negative effects of...
