Solid Ground Christian Books, United States, 2007. Paperback. Book Condition: New. 210 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****. James White has done a splendid job of answering questions that would have been raised in the minds of thoughtful inquirers by the sensationalistic but dubious documentary *The Lost Tomb of Jesus* by James Cameron and Simcha Jacobovici. Readers who think Christians are afraid of hard facts will have to think again after reading this rapidly produced but superbly informed and rigorously reasoned rejoinder. - Ligon Duncan, James White has applied his considerable skill as a Bible scholar and apologist to the task of debunking the latest bunk in the historical Jesus vs. the biblical Christ false dichotomy so loved by theological liberals. The new bunk in question is the film *The Lost Tomb of Jesus* and the pseudo-scholarship and wacky-science that precipitated it. In a word, Dr. White readily shows that Christianity is perfectly safe from this lame attempt to stab it under the fifth rib. Dr. Robert P. Martin.
