After a work, says he, is finished, imperfections often show themselves where they were hid in the plan and in the process of workmanship. But he tries to console himself with the thought that others beside himself act first and think afterwards. There are, continues he, in a slightly cynical and desponding undertone, however, many who, while they can point out a fault in a work complete, would have made greater faults had they been the workmen in carrying out the design. 2. Its Departments. To avoid, then, this radical defect in the construction, an index of subjects was at the outset made, and four leading...

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.
