Long before he starred on some of television s most beloved and long-running series such as Taxi and Who s the Boss? and went on to distinguish himself in a variety of film and stage roles, Tony Danza was a walking contradiction: an indifferent student who dreamed of being a teacher. Inspiring a classroom of students was an aspiration he put aside for decades until one day it seemed that the most meaningful thing he could do was give his dream a shot. What followed was a year spent teaching tenth-grade English at Northeast High Philadelphia s largest high school with 3,600 students. Entering Northeast s crowded halls in September 2009, Tony found his way to a classroom filled with twenty-six students who were determined not to cut him any slack. The audiobook also makes vivid how a modern high school works, showing Tony in a myriad of roles from lecturing on To Kill a Mockingbird to coaching the football team, organizing a talent show, leading far-flung field trips, and...
